

Academy for Community Inclusion Certificates and Courses (August, 2019)

Prerequisite Classes: Taken During the 1st Semester (6 credits)

SLS 1200: Increasing Personal Effectiveness (2 credits)

This course reviews key strategies for personal growth, analyzes personal strengths and weaknesses, identifies personal goals and motivates the participant toward these goals.

SLS 1304: Career Exploration 1 (2 credits)

Structured for self-directed and individualized career exploration. Includes systematic review of career development and exploration with the use of assessment materials and computer-based career development programs such as YES, Self-Directed Searches, and preferential inventories. Includes the formation of an individual work portfolio.

SLS 1570: Learning with Technology 1 (2 credits)

An introductory course on today's technology basics to include cellphones, tablets, and other types of common technology tools to help students become more skilled in their use in college and on the job. Students will also learn skills and techniques in using productivity tools and applications.

Required Courses (2 credits)

Launch Pad:

This 0-credit course will orient students to the campus, university, and community. It will provide a complete overview of the skills and knowledge necessary for students to succeed in the ACI program. This course is to be taken each semester. Registration is limited to participants in the Academy for Community Inclusion.

HSC 2100: Health, Fitness for Life (2 credits)

A study of the strategies and techniques of healthful living. A wellness model will provide the framework for this course. Personal health and fitness appraisals will be conducted. * Program Note: *This course is required in the second semester of the ACI Program.*

Personal Fitness Experience:

This continuing experience builds on the individualized Fitness and Healthy Living assessments completed in the Health & Fitness for Living Course (HSC 2100). Students work on fitness goals and chart them in their portfolio. This course is to be taken each semester.

Certificate Courses (20 credits)

The Academy offers coursework to support three certificates: *Supported Employment*, *Supported Community Access*, and *Supported Community Living*. The certificate program in *Supported Employment* is required for all students accepted into the Academy. Each certificate requires a minimum of 20 credits (see the following chart for specific courses).
